

STÄRKE
windows and doors

Stärke**Swift** Series

Why home builders choose Stärke?

Stärke guarantees a superior product, delivered on time, and supported with outstanding customer service. We have been fabricating windows and doors since 1987.

How do we save you time?

We have all our Swift Series components under one roof, providing you a faster and more efficient solution.

How do we save you money?

You work alongside the manufacturer which supplies extrusions, glass and fabricates windows, Stärke has removed the middle man to save you any unnecessary costs.

Check out our website to see our distinct product advantages
