

# StärkeDefender

The Ultimate in  
Antimicrobial Protection

# HEALTHIER, SAFER, FIGHTS INFECTION

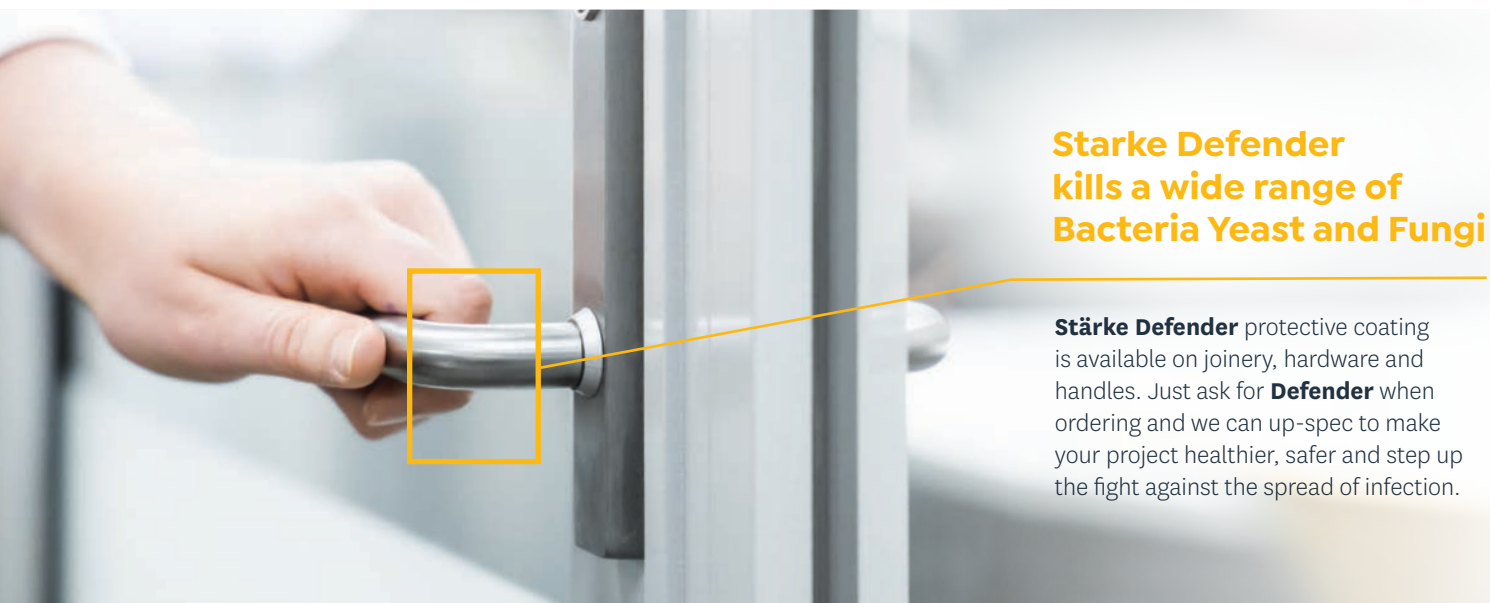

Stop the spread of sickness with the new **Stärke Defender** treatment. Used in hospitals throughout the world, and for the first time in NZ it is now available for your home, school, POD building or in fact any development.

## KEY PRODUCT ADVANTAGES

The Antimicrobial coating assists with the fight against bacteria and fungus on our entire product range. The antimicrobial agent in **Stärke Defender** has been tested to Japanese Industrial Standard JIS Z 2801:2000 to kill a wide range of bacteria yeast and fungi.
