

StärkeCommercial

With a full range of commercial window and door products, Stärke has a solution to meet your needs.

The Stärke product range has been developed specifically for the Australian & new Zealand markets and tested to exceed Australian and New Zealand standards.

StärkeCommercial can be adapted and extended to meet the needs of specific projects as required.

Commercial Suite Features

The StärkeCommercial range is designed with high seismic capacity and includes centre, flush and 2-sided structural glazed frames, featuring unique fully sealed end dams to ensure high performance water management.

Strength is built into each element of our product for long lasting durability and safety and with the flat face frame design, sight lines are consistent and clean.

- 106mm centre and flush glaze
- 106mm structural glaze
- 138mm flush and structural glaze
- 159mm flush and structural glaze
